1.3 **Recognition:**

The Association is the recognized employee organization for members in the following classifications:

Police Sergeant

1.4 **Effective Date and Term:**

A. This Memorandum of Understanding shall take effect as of the first day of July, 2010, except as otherwise provided herein, and shall remain in full force and effect through the thirtieth (30<sup>th</sup>) day of June 2011. This Memorandum of Understanding shall only become effective with approval of the City Council of the City of Yreka and the Association. Any financial consideration payable under this Agreement shall commence on the first full pay period following approval of this Memorandum of Understanding by the City Council.

B. Term of this Agreement shall be for one (1) year from July 1, 2010, through and including June 30, 2011.

1.5 **Effect of Memorandum:**

During the term of this Memorandum, the provisions hereof shall govern the wages, hours, benefits, and working conditions of employees with the represented unit covered by the Memorandum, the current edition of the Yreka Police Department Policy Manual, and as otherwise provided in City personnel rules and regulations, resolutions, and ordinances wherein this Memorandum is silent. The Employee Personnel System and the Personnel Rules and Regulations are on file in the City Manager's Office at City Hall. Nothing herein shall be construed to limit the authority by the City to change or modify the Employee Personnel System

or the Personnel Rules or Regulations, subject, however, to the City's obligation to meet and confer with the Association.

1.6 **Employee Rights:**

A. Employees of the City shall have the right to form, join, and participate in the activities of an employee organization of their own choosing for the purpose of representation on matters of employer-employee relations, including but not limited to wages, hours, and other terms and conditions of employment. Employees of the City also have the right to refuse to join or participate in the activities of employee organizations and shall have the right to represent themselves individually in their employment relations with the City.

B. Neither the City nor the Association shall impose or threaten to impose reprisals on employees, to discriminate or threaten to discriminate against employees or otherwise interfere with, restrain, or coerce employees because of the exercise of these rights.

1.7 **City Rights:**

The City retains the exclusive right, subject to and in accordance with applicable laws, regulations and the provisions of this Memorandum, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable ordinance and resolution provisions; (d) to discipline employees in accordance with applicable rules; (e) to dismiss employees because of lack of work, funds, or for other reasonable cause; (f) to determine the mission of its departments, its budgets, its organization, the number of employees, and the number, types, classifications and grades of positions of employees assigned to an organization unit, work project, shift or tour of duty, and the methods and technology of performing the work; and (g) to take whatever action that may be necessary and appropriate to carry out its mission in situations of emergency.

1.8 **Non Discrimination Clause:**

As may be required by State or Federal Law, both City and Association agree not to discriminate against any employee because of legitimate union activity or affiliation, political belief, race, creed, color, religion, nationality, age, sex, sexual preference, physical condition or national origin.

1.9 **Requirement to Meet and Confer:**

A. Except in cases of emergency, the City shall give reasonable written notice to the Association when its members are affected by any ordinance, rule, resolution or regulation directly related to matters within the scope of representation proposed to be adopted by the City. City shall give the Association the opportunity to meet with the City. In cases of emergency when the City determines that an ordinance, rule, resolution or regulation must be adopted immediately, without prior written notice or meeting with the Association, the City shall provide Association the opportunity to meet at the earliest practical time following adoption of such ordinance, rule, resolution or regulation. The Association shall provide to City in writing, the

names, addresses and telephone numbers of up to two persons to whom the City shall be required to give notice as required in this paragraph.

B. The City and/or its authorized representatives shall meet and confer in good faith regarding wages, hours and other terms and conditions of employment with representatives of the Association and shall consider fully such presentations as are made by the Association on behalf of its members prior to arriving at a determination of policy or course of action. City agrees to provide time off to two (2) members of the Association while attending meetings with the City during the meet and confer process.

C. "Meet and confer in good faith" means that a public agency, or such representatives as it may designate, and representatives of recognized employee organizations, shall have the mutual obligation personally to meet and confer promptly upon request by either party and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals and to endeavor to reach agreement on matters within the scope of representation prior to the adoption by the public agency of its final budget for the ensuing year. The process should include adequate time for the resolution of impasses where specific procedures for such resolution are contained in local rule, regulation or ordinance, or when such procedures are utilized by mutual consent.

1.10 **Association Release Time Bank:**

A. Association members may voluntarily donate to any City employee vacation leave credits, sick time credits, or compensatory time off credits to an Association Time Bank by designating the type and amount of leave credit on a form provided by the City for that purpose. All such donation forms shall be signed by the member. Donations shall be in whole hour increments and a member may not withdraw any hours so donated. In the event there are unused credits which have been voluntarily assigned, they shall be proportionately re-assigned to the donating employees.

B. Association members designated by the Association shall be eligible to use the Time Bank to perform Association business. Sick leave credits must only be assigned to another employee of the City eligible for sick leave.

C. Such use is subject to reasonable advance request by the Association and approval by the Chief. Requests shall be treated in the same manner as requests to use compensatory time off.

Article 2

Salary Ranges and Adjustments and Compensation

2.1 **Salary:**

A. Salary ranges for the Sergeant classification are specified in Appendix A, attached to this Memorandum.

2.2 **Differential from Police Officer Salary:**

At all times during the term of this Agreement, the step A salary for Sergeant shall exceed the top step police officer salary by not less than 5%. In the event the top step for police officer is modified or changed during the term of this Agreement, the salary range and steps as set forth in Appendix A shall be modified to reflect such 5% differential as of the effective date of the increase of police officer.

2.3 **Standby Duty Pay:**

"Standby Duty" shall mean when an employee is specifically required by the supervising officer in charge to remain available and on call for (or on pager) assignment. Pay for Standby Duty shall be compensated at the flat rate of \$50 for each 24-hour period and \$25 for any period less than 24 hours.

2.4 **POST Incentive Program:**

Because it is in the best interest of the City and safety personnel to keep members of the Police Department informed and up-to-date on current law enforcement techniques and procedures the following incentive program is instituted: A Sergeant attaining the POST Intermediate Certificate will be entitled to 2.5% special pay above the base salary and an additional 2.5% above the base salary for the POST Advanced Certificate.

Article 3

Medical, Dental, Vision, Life and Disability Plans

**Medical Plan:**

A. The City will continue the flexible benefit plan for employee health benefits in accordance with Internal Revenue Code Section 125. **Until December 31, 2010, the City will continue to contribute, on behalf of each eligible employee the sums established by the Memorandum of Understanding for the period of July 1, 2006, through June 30, 2009.** The employee may choose to cover premium costs for the eligible employee's health plan or other plans available through PERS and/or other qualified supplemental plans offered by AFLAC under its Flex One Tax Advantaged Plan. Total monthly premium costs of selected insurance coverages which exceed the City's **contribution toward** the eligible employee's health plan premium will be the responsibility of the employee. The minimum required coverages that each employee must select under the flexible benefit plan is the PERS Choice Health Plan. In order to be excluded from this requirement for the PERS Choice Health Plan, an employee must submit verification of substantially equivalent alternate coverage for health insurance. Employees who elect no coverage pursuant to this Section shall not receive this benefit, but shall be eligible for the benefit described in subparagraph 3.1.J of this Section.

B. Effective **January 1, 2011**, and continuing thereafter, the **City contribution** for the eligible employee's health plan shall not exceed the following sums:

**Four Hundred Eighty Dollars (\$480) toward** total monthly premiums costs for employee

only; the balance of the total monthly premium costs for the eligible employee's health plan premium will be the responsibility of the employee.

Nine Hundred Dollars (\$900) toward total monthly premium costs for employee and one dependent; the balance of the total monthly premium costs for the eligible employee's health plan premium will be the responsibility of the employee.

One Thousand One Hundred Thirty-five Dollars (\$1,135) toward total monthly premium costs for employee and family; the balance of the total monthly premium costs for the eligible employee's health plan premium will be the responsibility of the employee.

C. For purposes of this Agreement, "premium costs for the eligible employee's health plan" shall include the eligible employee's participation in the PERS Choice Health Plan.

D. By not later than December 31<sup>st</sup> each year, each employee shall execute a written authorization regarding the medical premium deduction. The deduction will be made on a biweekly basis.

E. The dedicated City contribution to CalPERS Health coverage is the minimum amount required by the City's contract with CalPERS, which is currently One Hundred Five and no/100 dollars (\$105.00) per month for each active employee or annuitant (equal amount contribution).

F. The parties agree that administration of the plan, enrolling or canceling enrollment of employees or their dependents and processing claims and securing of adequate risk protection shall be the sole administrative and financial responsibility of the City.

G. There shall be no decrease in benefits except as are imposed upon the City as benefit modifications by CalPERS. Any change in plan benefits to the employee by the City shall be on a Meet and Confer basis.

H. Reopeners regarding Health Benefit Plans. Should the premium rates for the CalPers Pers Choice Health Plan exceed a total of twenty-five (25%) above the January 1, 2006 rates during the life of this Agreement, the Association may request to meet with the City. At the City's request, the parties may reopen during the term of the Agreement to discuss a Flexible Benefit Plan.

I. An employee with court ordered dependent health coverage must show proof of that order in the form of a qualified domestic relations' order (QRDO) before dependent coverage can be extended.

J. The City agrees to continue and fund for employees who elect no insurance

coverage a cash in lieu benefit in the amount of \$500 per month, disbursable to the employee biweekly on a taxable income basis, in accordance with IRS Code Section 125.

K. Either party may request to reopen negotiations on health insurance, if there is a proposed substantial change in the PPO network for the PERS Health Plan.

3.2 **Dental Plan:**

The parties agree that the current self-funded dental plan will remain in effect. The parties agree that the administration of the plan, including but not limited to the providing of information about the plan, enrolling or canceling enrollment of employees or their dependents and processing claims shall be the sole administrative and financial responsibility of the City. There will be no decrease in benefits.

City agrees to pay one hundred percent (100%) of the dental plan cost including dependent coverage.

3.3 **Vision Plan:**

City agrees to continue to provide a vision plan through the California Vision Service Plan (VSP) B with a \$25.00 deductible including coverage for dependents at its sole expense. City retains the right to self-insure at the same benefit level. There will be no decrease in benefits.

City agrees to pay one hundred percent (100%) of the vision plan cost including dependent coverage.

3.4 **Life Insurance Plan:** Life Insurance will be procured for each employee, (excluding retired employees) equal to the amount of the gross salary received under the salary schedule for a given year, not including overtime or special pay. Dependent coverage at the amount of one thousand dollars (\$1,000) per spouse and child will continue to be provided. City agrees to pay the premium for this coverage.

3.5 **Disability Plan:**

City agrees to discontinue the current employer paid long term disability insurance plan for each employee of the bargaining unit effective July 1, 2007, and gave each employee of the bargaining unit a one percent (1%) salary increase effective that date.

Article 4  
Vacation and Leave

4.1 **Vacation Leave:**

A. The policy for use of vacation is that it be used in the year immediately after the annual accrual. This policy is based on the intent that vacation time be a relief from regular work

schedules. The relief from work is for the personal well being of employees, both mentally and physically, to insure healthy work and personal lives.

B. All employees shall be entitled to annual vacation leave with pay except the following:

(1) Employees who have served less than six (6) months in the service of the City. However, vacation credits for the time will be granted to each such employee who later receives a permanent appointment.

(2) Employees who work on a provisional basis and all employees who work less than one thousand (1,000) hours per year.

C. Eligible employees who work less than full-time but more than one thousand (1,000) hours per year shall be credited for vacation on a prorated basis.

D. Vacation units shall be accumulated on an hour basis in accordance with the following schedule:

<u>Months of Employment</u>	<u>Vacation Hours Accrued Per Pay Period</u> (Based on 26 equal pay periods per year)	
1-60 months	3.08 hours	(80 hours per year)
61-180 months	4.62 hours	(120 hours per year)
181 months and after, max rate	6.15 hours	(160 hours per year)

E. The time during a calendar year at which an employee may take their vacation shall be determined by the department head with due regard for the wishes of the employee and particular regard for the needs of the City.

F. The City agrees to permit probationary employees to use earned vacation time during the probationary period. In cases where an employee has one year or greater probation, and in cases of real need, an employee may, departmental workload permitting, be allowed to take up to forty (40) hours of earned vacation. Should said employee terminate voluntarily or involuntarily prior to achieving permanent status, the pay for vacation used will be deducted from the final paycheck.

G. Previous part-time City employees, who have subsequently become full-time regular employees shall be credited with such part-time City service, for the purpose of computing months of employment and vacation accrual. One hundred seventy-three (173) hours of part-time City service shall equal one (1) month of employment. As to any current employee, who may be entitled to a greater vacation accrual rate as of the effective date of this Memorandum of Understanding, pursuant to this paragraph, such additional vacation accrual shall be prorated only for the balance of the calendar year.

4.2 **Vacation Accrual:**

The maximum vacation accrual allowable as of January 1 each year is eighteen (18) months. The City Manager may allow such amount to be exceeded for a period not exceeding 12 months upon written application by the employee prior to the end of the calendar year showing the employee's inability to reduce accrued vacation below the maximum accrual level and a proposed schedule to reduce the excess accrual.

4.3 **Holidays:**

In lieu of taking holidays provided other City employees, members of the Sergeant classification shall receive 5.54 hours per pay period, additional pay computed as follows: Employees base salary hourly rate times 144, (12 days X 12 hrs/day = 144 hrs) divided by 26 pay periods per calendar year is equal to the amount each such employee shall receive with the payroll check.

**“Employees shall have an additional (one-time) floating holiday consisting of four (4) hours holiday pay or the equivalent, which will be credited for the term of this Agreement, which must be used before the end of the term of the Agreement and cannot be saved for use beyond the end of the Agreement. It is the intent of the parties that this benefit shall be at no cost to the City, which shall be as determined by the City Manager and the Police Chief, acting jointly. The benefit is as follows: sworn personnel, four (4) vacation hours.”**

4.4 **Sick Leave:**

- A. All employees, except part-time and extra help employees, shall be entitled to eight (8) hours of sick leave with pay each month or major fraction thereof, with no accumulation limit.
- B. City has entered into an agreement with the PERS whereby accumulated sick leave is converted to additional service credit upon retirement.
- C. Sick leave with pay shall be granted upon the recommendation of the department head in a case of the bona fide illness of the employee. Sick leave with pay shall be held to include diagnostic procedures, dental procedures and ophthalmology services when performed by a duly licensed practitioner.
- D. In case of illness extending beyond two (2) days duration, the employee shall furnish a certificate issued by a licensed practitioner. Each certificate shall be filed by the department head with the payroll clerk. It shall be the policy of the City that sick leave shall be considered a privilege and not a right. It shall be the responsibility of the department head to deny the use of sick leave with pay in cases where there is substantial evidence of abuse of the sick leave privilege.

E. An employee who is entitled to Worker's Compensation under the labor code of the State may elect to take as much of his/her accumulated sick leave or accumulated vacation as when added to the Worker's Compensation will result in payment to that employee of his/her full salary or wage.

F. No City employee shall be entitled to the use of sick leave while absent from duty on account of any of the following causes: disability arising from any sickness or injury purposely self-inflicted or caused by their willful misconduct; sickness or disability sustained while on leave of absence other than regular vacation. Sick leave, up to ten (10) days per calendar year, may be used by an employee to attend to an illness to the employee's spouse, child or parent. "Child" means a biological, foster or adopted child; a stepchild; a legal ward; or a child to whom the employee acts as a parent. "Parent" includes a biological, foster, or adoptive parent. Sick leave to care for ill family members is subject to all policies that apply to sick leave, including medical documentation.

#### 4.5 **Physical Fitness Incentive Program:**

*All sworn police officers in the association have the option of participating in an annual physical fitness test. The test is intended to keep officers in good physical condition. Staying in good physical condition will be the officer's responsibility by whatever means necessary, will be done on the officer's own time and the City will have no responsibility in connection with the means of conditioning. The test will be conducted before July 1<sup>st</sup> of each year. The physical fitness test will meet the minimum POST fitness standards in effect for each given year. Upon successfully passing the test, the employee will receive 20 hours of compensatory time off. The employee understands that the test is optional and the employee will not receive hourly compensation for the time the employee participated in taking the test unless the test falls during the employee's normal work shift.*

4.6 **Administrative Leave:** Reserved. There are no provisions for this contract period.
